iMall | PCB/PCBA | 3D Printing | Custom | Blog

Hi, Sven Reißland

Thank you for ordering ITEAD products or service. Once your order is shipped, you'll receive an email with a [link to your account](#). After login, you can check delivery status of your order.

In order to provide better PCB/SMT service to our customers, we have improved our website functionality. Now, you can directly submit the Gerber files by clicking the link below and then follow your order's processing.

HOW TO USE

UPLOAD FILE

We provide turn-key PCBA service as well. To get a quote, you can upload your design files by clicking [here](#).

Your order confirmation is below. Thank you again for your order.

Your Order #100100914 (placed on February 3, 2017 6:38:17 PM CST)
